Aggies Outplayed Them in
First Half—A Very
Narrow Escape.

Special to the Missourian.

MANHATTAN, Kas. Oct. 16.—Alexander, on all his conquests, never sent back better news than "Bert" Kennedy's fighting Kansans and 300 lung-tired loyalists wired back to the folks at Lawrence tonight.

The team from Lawrence invaded Manhattan for the first time since 1906, and avenged the defeat they suffered then.

The score was 5 to 3, and Kansas never met a sturdier foe nor achieved a harder earned victory. Every second of the seventy minutes of play was a fight, a tussling, surging struggle, and the result always was in doubt.

An on-side kick recovered back of the Aggies' goal line gave K. U. the first count of the game.

After twenty minutes of fierce playing Stephens kicked an easy goal. Ten minutes later Quarterback Bates fell back to the Kansas 35-yard line and drop-kicked the sphere over the K. U. bar for three points.

Kansas was lucky to get away with the game. A fumbled on-side kick did the damage. The team from Lawrence was out-played in the first half and the second section was a draw, if ever a draw was fought. The play of the Manhattan eleven was versatile. The playing of the Lawrence team was staid.

The farmers played it prettily and advantageously. The boys from Lawrence played the old style game of plunges and end runs, and these gave Kansas all its gains.

PHILADELPHIA, Oct. 16.—After practically running away with the Brown University team, and scoring 11 points, Pennsylvania had its goal line crossed for the first time this year. Pennsylvania got off on the jump. In the first minute of play Braddock ran the full length of the field for a touchdown. At the end of another ten minutes Pennsylvania made another touchdown. The Brown team awoke then and held the Pennsylvanians, and in the last half made a touchdown. The final score was 13 to 5.

Field Goal Gives Indians Victory in
New York.

NEW YORK, Oct. 16.—A field goal in the second half in the Carlisle-Syracuse game this afternoon broke the tie score and gave the Indians the game by a score of 14 to 11.

Hanser, the Indian fullback, who made the kick, is the football hero here tonight. Hanser made one run of fifty yards through the Syracuse right tackle. Hanser also was the one who carried the ball for the first touchdown made by the Indians.

JOHNSON VICTOR IN TWELFTH ROUND

Ketchel Was No Match For
the Negro Heavyweight
Champion.

IT WAS A HARD FIGHT

Defender of the Title Out-
pointed His Lighter
Antagonist.

Special to the Missourian.

SAN FRANCISCO, Oct. 16.—"Jack" Johnson, the negro champion heavyweight, successfully defended his title here tonight, winning from Stanley Ketchel in the twelfth round.

In the final round Ketchel was exhausted after a severe beating. Johnson made an attempt to knock him out, but Ketchel would not stand up and take punishment. Johnson could not "catch" his opponent and when the round ended the referee announced a decision.

The fight was fast from the beginning. Ketchel put up a game exhibition of boxing, but was unable to make any of his blows tell. He landed many severe jolts, but none had any effect on the negro.

The eyes of the followers of the fighting game in this city are now turned toward Jeffries. Fight fans here are confident, after the showing Johnson made tonight, that the big ex-champion is the only man in the world who has a chance to wrest the championship from the negro.

CHICAGO WINS, 14 TO 8

Stagg's Players Prove Their
Superiority Over the
Illinois Team.

Special to the Missourian.

CHICAGO, Oct. 16.—Chicago won from Illinois today by a score of 14 to 8. The score, however, does not show the superiority of the Maroons. Illinois was on the defensive throughout the game. Chicago scored five in the first half, when Page sent an on-side kick across the line and Gerend fell on it. In the second half they made a touchdown and Mountjoy kicked a pretty field goal from the 42-yard line.

MINNESOTA 14, NEBRASKA 0.

Cornhuskers Weaken in Second Half—
Player Breaks Ankle.

Special to the Missourian.

OMAHA, Neb., Oct. 16.—After the first half, in which it kept Minnesota from scoring, Nebraska weakened and allowed the Gophers to pile up fourteen points on straight football here this afternoon. The Minnesota back tore through the Nebraska line in the second half, scoring two touchdowns and making a field goal. Johnson, the speedy Minnesota halfback, broke one of his ankles.

NOTES OF TIGER-ROLLA GAME.

It was great weather for a football game—especially for the spectators.

Sky-rocket megaphones took the place of the electric automobile horn used on the bleachers last Saturday.

The rooters treated Rolla kindly. Often the megaphone brigade gave nine rahs for the team and its players.

Dr. A. Ross Hill attended the game with Mr. and Mrs. L. E. Young. Mr. Young is director of the School of Mines.

The spelling of MISSOURI was much better today, because C. A. Rockwood, yell leader, gave the pitch with a bugle.

The Roper Smile was not in evidence during the first half of the game, but it could easily be seen during the second half.

The girls from Stephens College attended the game today for the first time this season. They came out late and sat on the south bleachers.

Between the halves, when the "New Yell" was being given, Gilchrist, former halfback on the Tiger team, but now with Rolla, so far forgot himself as to yell with the Missouri rooters.

E. P. Barret, manager of the Rolla team, said after the game:

"We expected to come out better than we did. The men don't think

PITTSBURG TAKES THE CHAMPIONSHIP

Detroit Shut Out by the
Pirates in the Deciding
Game of Series.

THE SCORE WAS 8 RUNS TO 0

Eight Hits Made Off the In-
vincible Mullin—No
Errors for Pirates.

Special to the Missourian.

DETROIT, Mich., Oct. 16.—By defeating Detroit in the final game of the series, the Pittsburg National league team won the world's baseball championship today. The Tigers were shut out. The Pirates made eight runs.

The Pirates made eight hits off Mullin, the "Invincible" Tiger twirler. Adams held the Detroit team to six hits. Two errors were chalked up against the Tigers, while the Pittsburghers played an errorless game.

The game which gave Pittsburg the championship this afternoon was the seventh in the series. Each team had won three games. Gibson caught for Pittsburg. Schmidt was behind the bat for the Tigers.

that they have been treated right by the officials in the matter of penalties. in the University of Missouri, will remain in Columbia for a visit Sunday with university friends.

K. P. Gilchrist, left halfback on the Rolla football team, a former student The Tigers have a strong team and well trained, and put up a much better game than St. Louis University."

About two hundred negroes formed an enthusiastic crowd beyond the wire fence in the orchard at the north end of Rollins Field. Although they had no yell leader, their enthusiasm appeared to be genuine.

"I really believe, I really do," said a freshman in the bleachers after the game, "that Roper had the Tigers 'hold themselves in' the first half so that they would not run up such a big score."

Hal Conley, allback on the famous '95 team, became so enthusiastic during the game that he declared he would put on a suit next week and coach "Pony" Blue to be the best player on the Missouri team.

Although rooters from the School of Mines walked to Columbia to see the game, they certainly had enough energy left to root for the Miners. They never lost their opportunity to support their team, win or lose.

"Let's have nine rahs for 'Gille,'" was about the first thing heard after the former Missouri halfback, now at Rolla, came on the field with the Miners. The older students, couldn't seem to realize Gilchrist was on the other side this year.

Of the twenty-five students of the Rolla School of Mines who started to walk from Rolla to Columbia only three made the entire trip. Fred Pickering, Frank Blake and W. W. Miller arrived here last night, after walking the entire distance. The party started from Rolla Thursday morning. Those who "gave out" along the way finished the journey by train. Several of the students "bummed" their way on trains as far as Centralia and paid their fares from there.

"We wanted to be the first to get in," said one of the young men who had come by rail.

TIGERS WHIP ROLLA IN HARD GAME, 13-0

Two Touchdowns and Safety Made
in Second Half by Whirlwind
Attack of Roper's Men.

MINERS MAKE LONG GAINS AROUND THE MISSOURI ENDS

Hackney's Brilliant Run Scores When Game
Seems Tied—Bluck Blocks Kick
Behind Line for a Safety.

Whirlwind playing in the second half, after they had been held to no score in the first half, gained a 13-to-0 victory for the Tigers over the Missouri School of Mines team on Rollins Field Saturday afternoon.

It was anything but a confident crowd of rooters at the end of the first half. The score was 0 to 0. Time and again the fast Rolla backs had skirted the Missouri ends and plunged through the line for long gains. The Tigers, unable to gain consistently through the Rolla line, had been compelled to punt frequently.

It appeared like a tie score when, near the middle of the second half, Hackney whirled around the Miners' right end for a touchdown from the 30-yard line. That seemed to put new ginger into the Tigers and thereafter they had the game well in hand. Fresh men were sent in to strengthen the Tigers' attack.

Failure to kick out after the touchdown left the score 5 to 0 in favor of the Tigers.

A Rolla forward pass failed and a 15-yard penalty put the ball, still in the Miners' possession, in the shadow of their own goal posts. Macomber dropped back behind the line to kick the oval out of danger. Bluck broke through the Rolla line and crashed into Macomber, who dropped the ball. Macomber recovered, but was downed behind his own goal line by Roberts. The play was a safety and gave the Tigers two more points.

The third touchdown came within the last five minutes of play. Roberts recovered a fumble and a series of line smashes put the ball on the Miners' 1-yard line, whence it was taken over for a touchdown by Wilder. A goal from the touchdown added a point to the score.

Gilchrist Plays Well.
After that the Tigers' goal was never in danger. Rolla played a fast, determined game throughout. Gilchrist, the former Missouri player, and Macomber, the Miners' captain, performed brilliantly. Alexander, Bluck, Hackney and Roberts starred for Missouri. Bluck showed greatly improved form.

Most of the visitors' gains were made around the Missouri ends. The ends, too, were slow in getting down under punts. Several fumbles were made on both sides.

While the game was stubbornly

"Bud" Saunders, Tiger Quarterback.

fought from start to finish, Missouri escaped without a penalty, and the Miners were penalized only a couple of times.

From the standpoint of the spectator the game could hardly have been better. It was decidedly a game of the "new football." Punts were frequent on both sides, the forward pass was tried with indifferent success, and the

on-side kick was worked several times by both sides.

THE GAME IN DETAIL

Ristine won the toss, and Hackney kicked to Macomber, who returned the ball ten yards to the Miners' 15-yard line. Macomber gained ten yards around end.

The Miners lined up quickly. Blake gained one yard through the line. Macomber shook himself clear of the Tiger tackles and skirted end for twenty yards. Rolla fumbled, but recovered for a loss. Rolla kicked to Bradley on the Tigers' 20-yard line. Bradley returned the pigskin twenty-three yards.

The Tigers made four yards through the Miners' line. Hackney kicked and Missouri recovered on Rolla's 35-yard line when two Miners juggled and fumbled the ball. A forward pass by the Tigers failed because of a fumble. It was Rolla's ball on its own 28-yard line. Macomber carried the ball around right end. Thompson gained five yards and then the Missouri defense stiffened and Macomber punted to Alexander, who returned ten yards to the Tigers' 40-yard line.

On-Side Kick Fails.

Bradley tore through the line for ten yards. An on-side kick by the Tigers failed, Rolla receiving the kick. The Miners tried a forward pass and the oval went to the Tigers.

Hackney failed around left end. He was pushed back five yards when he tried to avoid the Rolla tacklers. Bradley was thrown for a 5-yard loss as the Miners broke through the Tigers' line. Hackney kicked to Blake, who returned six yards. The ball was in midfield.

Gilchrist made ten yards around right end, the Miners' interference pushing the Missouri end aside. The Rolla quarter fumbled and Hackney recovered the oval. He jumped up and gained three yards before he was downed. On the next play he responded with a 5-yard plunge.

Here the Tiger backfield went through the Miners' line for big gains. Missouri punted to Blake when the Miners held. Blake fumbled and fell on the oval on the 22-yard line. Rolla returned the punt. It was the Tigers' ball in the center of the field. Missouri fumbled a forward pass and the Miners recovered on their own 40-yard line.

Roberts broke through and downed Gilchrist for a 10-yard loss. Rolla punted to Hackney who made fifteen yards through half the Rolla team.
